

Amendments to the Specification

Delete Appendices I & II computer listings at pages 34-120 of the application and substitute therefor the Appendices I & II computer listings on the Compact Disc enclosed herewith.

Please add the following new paragraph to the Specification at page 1, between lines 10 & 11:

--Computer Program Listing Appendices on Compact Disc

A computer program listing on Compact Disc, containing Appendices I & II, is filed herewith and is incorporated herein by reference in its entirety. In particular, Appendix I is 32,768 bytes (as stored on disc), and Appendix II is 235,520 bytes (as stored on disc). Appendices I & II were stored to the enclosed CD-ROM on April 15, 2004 (i.e., date of creation).--
